

6. Counter top display cases

A full-page background image of a desert landscape at sunset. On the left, a large, dark rock formation with a prominent spire rises against a sky transitioning from blue to orange. The foreground is a sandy desert floor with sparse green and yellow vegetation. A large, dark, fallen tree trunk lies on the right side of the foreground. A solid red rectangular shape is positioned on the left edge, partially overlapping the rock formation.

Refrigerated Ingredient cases

Specifications

VSU50L

VSU77R

Counter top sushi display cases

Exterior

- Aisi 304 stainless steel
- Rear sliding doors, included
- Anodized aluminum silver profile
- Levelling feet

Interior

- Aisi 304 stainless steel
- Internal drain plug for easy cleaning
- Led lighting in top profile

Insulation

- Cfc-free polyurethane insulation, entire cabinet structure is foamed-in place using a high density polyurethane insulation - Low gwp & zero odp effect

Refrigeration

- Digital temperature controller
- Manual defrost system
- Gravity coil on top and cold plate refrigeration system on the bottom
- Refrigerant gas R290

Electrical

- Cord and nema 5-15p plug
- Electrical connection is 115v / 1ph / 60hz

**VIP1740B 1/3
Glasstop**

**VIP1980B 1/3
Solid Lid**

Counter top ingredient cases

Exterior

- Aisi 304 stainless steel
- Safety glass on the top, closed in the front [facing the customer] and open in the back facing the operator]
- Sliding doors on the back
- Levelling feet

Interior

- Aisi 304 stainless steel
- Stainless steel 6" deep pans, included

Insulation

- Cfc-free polyurethane insulation, entire cabinet structure is foamed-in place using a high density polyurethane insulation - Low gwp & zero odp effect

Refrigeration

- Digital temperature controller with automatic defrost system
- Cold wall refrigeration system
- Refrigerant gas R600A

Electrical

- Cord and nema 5-15p plug
- Electrical connection is 115v / 1ph / 60hz
