GELATO VCB | VAR

Infrico gelato display cases are designed to combine elegant presentation with reliable performance for professional gelato shops, restaurants, and dessert concepts. Built with high quality materials such as tempered glass, stainless steel components, and durable finishes, they ensure long lasting operation and outstanding product visibility.

The advanced temperature control system guarantees precise freezing conditions to preserve the perfect texture of gelato. Energy efficient LED lighting enhances product presentation while reducing consumption. With modern design, eco friendly R290 refrigerant, and certified performance, Infrico offers a professional solution to showcase and preserve authentic gelato.

ICE CREAMS | VBZ

Infrico ice cream display cases are designed to showcase frozen desserts with excellent visibility while maintaining optimal temperature and product quality. High efficiency refrigeration ensures reliable performance, while the straight glass design and LED lighting enhance product presentation and highlight the colors and textures of ice cream. With durable construction, modern aesthetics, and eco friendly refrigerants, they provide a professional solution for ice cream shops, cafés, and dessert concepts.
